

End User Licence Agreement - Digital Artwork and Stock Files
International version
For 1 Computer(s)

END USER'S LICENSE WITH RESPECT TO DIGITAL ARTWORKS AND STOCK FILES

NOTICE TO USER:

Color-Logic Inc (Color-Logic) hereby issues the End User License Agreement ("EULA"), to permit the licensee under such EULA to modify, reproduce, display, use and distribute the stock photography, texture and art files (collectively "stock files") provided with this copy of the Color-Logic Process Metallic Color System for internal, non-commercial purposes only. Reproduction of digital artworks and associated Color-Logic materials must always be reproduced with the Color-Logic logos, trademarks, contact address and URL.

Stock files may not be distributed as a stand-alone product.

The above amendment applies solely to the stock files and to no other software or products accompanying the EULA.

Color-Logic is a patent pending technology.
