S.M.A.R.T Centre

Our yearly S.M.A.R.T Centre Program enables your organization to have access to the most current versions of our products and educational programs, support for the latest design application programs, and allows you to take advantage of our marketing efforts to brands, advertising agencies and graphic design firms.

S.M.A.R.T Centre benefits

• Technical support by email
• Color-Logic Design Suite™ & FX-Viewer™ software updates
• Ability to buy Color-Logic BEST Offset Color Silver ink (for offset printing only)
• Ability to purchase discounted Color-Logic products for you and your clients
• Annual Certification & Listing on the Color-Logic "Find a Printer" geo map

Access to S.M.A.R.T Centre marketing files

Clients enrolled in our S.M.A.R.T Centre program, are also provided with fresh new designs to use and print out each year – New files would typically include a packaging file, labels/stickers, tags, greeting card, and a poster. Just imagine how much that will save you on marketing design costs!

All artwork files are metallic ready and editable – Pop your logos and branding on them, print them out, and let our visually engaging marketing designs help you to open doorways to new customers.

Bonus Features:

1 x Pattern-FX for Adobe Illustrator (**US$250** per volume)*

*each year we bring out a new Pattern-FX volume... Stay in the program and get yours free each year!

S.M.A.R.T Centre fees

Each Printer License comes with 24 months enrollement in the S.M.A.R.T Centre program.
